The warranty periods and support options (“EMC Support Information”) on this website apply (i) only between EMC and those organizations that procure the applicable products and/or maintenance under a contract directly with EMC (the “EMC Customer”); and (ii) only to those products or support options ordered by the EMC Customer at the time that the EMC Support Information is current. EMC may change the EMC Support Information at any time. The EMC Customer will be notified of any change in the EMC Support Information in the manner stated in the then current product ordering and/or maintenance related agreement between EMC and the EMC Customer, but any such change shall not apply to products or support options ordered by the EMC Customer prior to the date of such change.

Products or services obtained from any EMC reseller are governed solely by the agreement between the purchaser and the reseller. That agreement may provide terms that are the same as the EMC Support Information on this website. The reseller may make arrangements with EMC to perform warranty and/or maintenance services for the purchaser on behalf of the reseller. Please contact the reseller or the local EMC sales representative for additional information on EMC’s performance of warranty and maintenance services on Products obtained from a reseller.

EMC will have no obligation to provide Support Services with respect to Equipment that is outside the EMC Service Area. “EMC Service Area” means a location that is within (i) a one hundred (100) mile radius of an EMC service location; and (ii) the country in which the Installation Site is located, unless otherwise defined in your governing agreement with EMC, in which case the definition in the governing agreement prevails.
